

# Bridges at Pitman

## **A Comfortable Choice**

United Methodist Communities at Pitman understands you value your independence and self-determination. Dedicated to hospice and palliative care, Bridges brings the comfort, support, and privacy of a private studio apartment in an assisted living neighborhood to individuals who are unable or elect not to receive this care at home.

It offers a relaxing, worry-free atmosphere, which promotes peace of mind. Just bring your clothing and personal items.

## **Connection to Family and Support**

Knowing you want to stay closely connected to friends and family, Bridges includes many gathering spaces for in-person visits and Wi-Fi technology to enable digital communication. You can count on 24-hour nursing, medication management, certified caregivers, and pastoral care to nourish your mind, body, and spirit.

## **Security and Comfort**

As an organization compassionately serving older adults at every stage of life, Bridges' advanced therapies, emotional support, and personalization, benefit anyone with life-limiting illness. It acts as a safe haven not only for residents, but also for their cherished loved ones.

## **Amenities**
