

Tapestries® Memory Care

A Different and Better Alternative

United Methodist Communities at The Shores understands how important it is for your loved one with dementia to live with independence and dignity. Residents receive care on their own terms, replacing control with choice and decision-making. Tapestries, housed in an Assisted Living neighborhood, offers a safe, attentively supported and happy environment specially designed to care for your loved one.

Connection to Family and Support

Our innovative technology not only promotes health and wellness, but keeps residents connected to their families. Knowing you want to stay closely connected to your loved one, The Shores offers many gathering spaces for in-person visits, Wi-Fi technology and the K4Connect app to enable digital communication.

Peace of Mind

You deserve peace-of-mind knowing your loved one is in a relaxing, worry-free atmosphere where happiness is contagious. Full activity calendars and new surroundings motivate your loved one to try new things. Our values foster a nurturing environment where relationships blossom and Tapestries residents experience greater autonomy. Just bring their clothing and personal items and leave the rest to us!
