Bristol Glen

Bristol Glen Green Project – The team at Bristol Glen is excited to expand upon their bee initiative and begin work on additional sustainable agricultural activities. Contributions to this project will support the community’s progress towards building a **greenhouse, composting station, chicken coop for a flock of chickens, and future sustainable projects** suggested by residents and teammates.

Donation Range: Many supplies are needed, donations ranging from **\$50 - \$5,000** are appreciated.

Bocce Court – Bristol Glen residents love bocce! You can support socialization, camaraderie, and physical activity for seniors by contributing towards the purchase of materials for Bristol Glen to create their very own backyard bocce court.

Donation Range: Chip in with **\$100** or underwrite the cost of the project for **\$2,500**.

Beekeeping supplies – Bristol Glen’s independent and assisted living residents are eager to expand their community’s beekeeping hobby! We all know how important honeybees are to the production of fruits, veggies, and beautiful flowers, but this rewarding hobby can also reduce stress and give residents a sense of community and purpose.

Bristol Glen is hoping for donations to expand their hive, add more bees, and purchase additional beekeeping supplies. The residents would love to grow this hobby to the point of producing their own homemade Bristol Glen honey and creating beeswax gifts for the community Gift Shop.

Donation Range: Chip in for one item or fill the supply closet!
Gifts ranging from **\$50 - \$1,000** are appreciated.

iN2Ls – Our residents and teams have been fans of iN2L for a very long time! The mobile systems look like TVs on wheels, and offer music, brain games, trivia quizzes, educational programming, spiritual life content, holiday activities, and much more, all specifically tailored for older adults. New systems even offer video chatting, so residents can virtually visit with family and friends.

The benefits of bringing new iN2Ls into the community would be endless and the systems are well worth the cost! Underwriting the purchase of a new iN2L is the perfect way for a few grateful families or a generous individual to contribute to abundant life for seniors in an ongoing way.

Donation Range - \$11,000+ per unit.

Collingswood

iN2Ls – Our residents and teams have been fans of iN2L for a very long time! The mobile systems look like TVs on wheels, and offer music, brain games, trivia quizzes, educational programming, spiritual life content, holiday activities, and much more, all specifically tailored for older adults. New systems even offer video chatting, so residents can virtually visit with family and friends.

The benefits of bringing new iN2Ls into the community would be endless and the systems are well worth the cost! Underwriting the purchase of a new iN2L is the perfect way for a few grateful families or a generous individual to contribute to abundant life for seniors in an ongoing way.

Donation Range - \$11,000+ per unit.

Lobby Furniture – Be a catalyst for connection at Collingswood. Donations earmarked for enhanced, updated lobby furniture will have a daily impact on our teammates, residents, and their visitors by creating a warm, inviting space for them to socialize and engage. Donors can chip in for one item of furniture or decor or make a stretch gift to underwrite the entire redesign.

Donation Range - \$500 - \$20,000

SingFit Prime toolkit and subscription – SingFit takes activities to the next level by empowering Community Life and Tapestries teammates to easily run regular music therapy programming for residents. When conducted on a regular basis, the sessions can ease stress, boost endorphins, and provide an engaging social activity for memory care residents. The subscription comes with a whole catalog of music with different categories for memory and ability level, so assisted living residents can also enjoy more complex material.

Donations toward this item will allow teams to receive training and support on the program, purchase the instruction guides, speakers, music playlists, and have access to the constantly updated content library.

Donation Range – \$2,000 - \$3,000

Upgrading Equipment– Contributing toward upgrading equipment will help ensure items like Smart TVs, speakers, microphones, etc. are always available to foster engaging programming, inclusive community life, and fellowship.

Donation Range – \$50 - \$5,000

Pitman

Auditorium/Chapel Stage Curtain – With regular religious services, presentations, programs, and group meeting once again taking place in the Chapel/Auditorium, UMC at Pitman would love to replace their well-loved stage curtain and refresh this community space. Building services has conducted research and collected quotes, to replace the drapery, bi-parting track, hardware, and rope mechanisms. Donations of any amount will be greatly appreciated!

Donation Range – Total cost estimated at \$7,000

iN2Ls – Our residents and teams have been fans of iN2L for a very long time! The mobile systems look like TVs on wheels, and offer music, brain games, trivia quizzes, educational programming, spiritual life content, holiday activities, and much more, all specifically tailored for older adults. New systems even offer video chatting, so residents can virtually visit with family and friends.

The benefits of bringing new iN2Ls into the community would be endless and the systems are well worth the cost! Underwriting the purchase of a new iN2L is the perfect way for a few grateful families or a generous individual to contribute to abundant life for seniors in an ongoing way.

Donation Range - \$11,000+ per unit.

Lifeware adaptive tableware - These amazing utensils use the power of stabilizing technology to help people with tremors, limited mobility, or declining motor skills eat with confidence. The sensors inside of the special spoons, forks, and sporks keep the tableware level and steady so users can maintain their sense of independence at mealtimes.

Donation Range - \$200 - \$1,000 (each set costs \$200)

The Shores

Outdoor furniture - Associates at The Shores are eager to create more outdoor spaces for residents to relax and enjoy. A retractable awning will provide shade for residents who want to enjoy the sunshine and ocean breezes, and stylish and sturdy outdoor furniture will be comfortable and safe for residents to maneuver.

Donation Range - \$500 - \$5,000
